Subject: Skatepark

Mayor Napolitano and Members of City Council:

Representatives of Friends of Newport Skatepark canvassed the neighborhoods surrounding Abbruzzi Sports Complex on July 17, July 18 and July 24. Our objective was to ensure that the abutters and surrounding neighborhoods were aware that city council may be voting on a resolution soon to build a skatepark and basketball court at the Abbruzzi Sports Complex.

Everyone we spoke to was encouraged to communicate their questions, concerns, objections or support directly to members of city council.

Those who supported a basketball court and skatepark were asked to sign a petition in support. I have attached the signed petitions with over 100 signatures. The first three pages are a compiled list of all signatories. The following pages are the original signed petitions.

At a number of homes with no answer, we left the attached letter along with a list of email addresses for city council members.

Please let us know if you have any questions or concerns.

Thank you.
