SURVEY FOR A BASKETBALL COURT AND SKATE PARK AT ABBRUZZI ATHLETIC COMPLEX

The Newport City Council may soon be voting on a Resolution to build a basketball court and skate park at the Abbruzzi Athletic Complex - specifically on the southwest corner of the park where there is currently a tee ball field. Tee ball would move to the remaining field or another location to be determined by the city and would not be eliminated. The city has said that the basketball court will be built with or without a skatepark, location TBD.
